

# 2024 JANUARY

## Life updates

- Spent the new year on a plane from Dubai to Zurich, staying in the Senator's lounge for 6 hours, and flying back home over 14 hours. All this to maintain our Premier flight status.
- New track in Riverside for Ayrton's 2024 karting career! SoCal friends, we will be spending more time in the area.
- Celebrated Ben's birthday with a gift of Bluetti power station for off-grid stubby truck life.
- Went to the **Murakami: Monsterized** exhibition in the Asian Art Museum to look at some monstrous fleshy folds and platinum leaf. Gold leaf is so normalized, we need the platinum leaf on food craze.

## Horology (watches are a new expensive hobby)

- Talked to intriguing folks at the Nodus pick-up event for the mint **Canyon by Matt Farah**.
- Acquired a vintage **Bulova driving watch** at Cars, Coffee, & Chronos, a **Grand Seiko Hanami** from Topper, and a vintage **Seiko Hi-Beat 2700-7000**.
