ART

created my first ever animated pixel art for tidbyt purposes

EVENTS

- new year eve party at disco loft while suffering jet lag!
- celebrated ben's birthday at solage with spa days, room service, and great company. would recommend for a weekend getaway in the lap of luxury
- kongkee exhibition at asian art museum, becher exhibition at sfmoma
- photonics west where i learned about FEMTOprint microfabrication in watches and optosigma in-house comic artist
- sad news: inadequacy of infrastructure to weather storms in the bay area, three california shootings in three days, tech layoffs

CONSUMPTION

films

- the menu: "There's a neediness to the plating."

books

- in-n-out by stacy perman: history of a california empire and a lesson in human fallibility in the face of success
- before the coffee gets cold by toshikazu kawaguchi: potential addition to the ritual of mourning loss of loved ones

essays

- the crane wife by cj hauser: "To keep becoming a woman is so much self-erasing work."
- joy by zadie smith: on pleasure vs joy, how joy is human madness that would "dement and destroy everything else"
